Create the components first and then layer and adhere the pieces to create the turkeys as shown. Adhere the turkeys to the layout as shown adding a title sticker with Foam Squares.

Turkey Bodies:

1. Use the CCS with the medium Circle Pattern and Red Blade on the inside edge to cut two circles from orange paper. Use the Blue Blade on the inside edge to cut one circle from orange vellum. Cut the vellum circle into two 3/4" pieces and use the Brown Dual-Tip Pen to draw tiny feathers. Use the round tip of the Brown Dual-Tip Pen to ink the edges of the pieces. Adhere the vellum pieces to the bottoms of the larger circles.
