Instructions:

1. Cut (5) 2" strips from five different tonal papers.
2. Cut an angle off of the top edge of each strip by placing the top edge of the strip on the 45 degree angle on the 12-Inch Trimmer and the top right corner of the strip on the dashed cutting line of the Trimmer. See video.
3. Trim off the flat ends of the strips to get strips that measure: 11", 8-7/8", 6-7/8", 4-7/8" and 2-7/8".
4. Space and adhere the strips to a sheet of Bright White Cardstock as shown.
5. Cut (2) 3-3/4" x 5-3/4" photo mats from coordinating cardstock, and adhere to the layout as shown.
6. Use a Shape Punch to punch shapes from the tonal papers used for the strips. Adhere the shapes to the strips using Foam Squares.
7. Adhere Floral Essentials Embellishments and a Word Title with Foam Squares. Add epoxy embellishments as shown.
