Instructions:

1. Cut a 1" hollow frame from contrasting cardstock.
2. Cut a 11-1/2" x 4-3/4" piece from tonal paper or coordinating cardstock. Adhere to the top of the hollow frame leaving a 1/4" of the frame showing.
3. Cut a 11-1/2" x 7" piece of designer paper and adhere to the bottom of the hollow frame leaving a 1/4" of the frame showing.
4. Use the CCS with the #3 Oval Pattern and the Red Blade on the outside edge to cut two ovals from three different tonal papers.
5. Fold the ovals in half lengthwise. Place the #3 Oval Pattern over the folded oval so that the right inside edge of the cutting pattern just covers the oval fold. Cut on the outside edge with the Red Blade. Repeat for all ovals. Keep the smaller pieces.
