

Supplies:

Designer Paper
Stickers & Embellishments
Contrasting Cardstock
12-Inch Trimmer
Autumn Leaves Border Punch
Custom Cutting System
Circle Cutting Patterns
Micro-Tip Scissors
Brown Dual-Tip Pen
Repositionable Tape Runner
Foam Squares
Pencil & Ruler

Instructions:

Pumpkin:

1. Cut Cardstock to 11-1/8" x 10-1/4". Repeat with second sheet.
2. Cut a 1/2" hollow frame from both pieces of cardstock.
3. Cut tonal paper to 11" x 10". Repeat with second sheet. Adhere the pieces to the two hollow frames.
4. Cut 1" hollow frames from both sheets of designer paper. Adhere the pieces from Step 3. to the hollow frames. Adhere one to the right edge of the frame and the other to the left edge of the frame.
5. Cut the following 2-1/2" x 2-1/2" squares from a variety of designer and tonal papers. Cut squares in half on the diagonal.

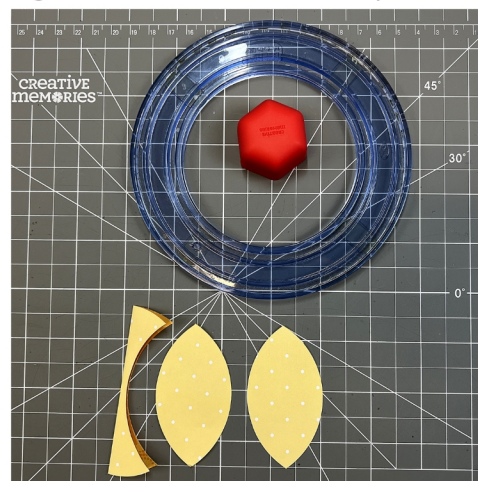

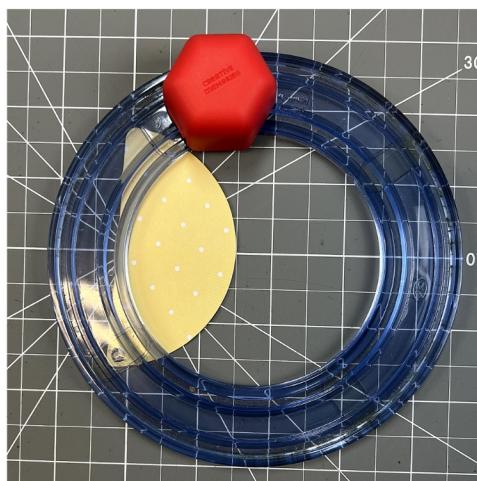

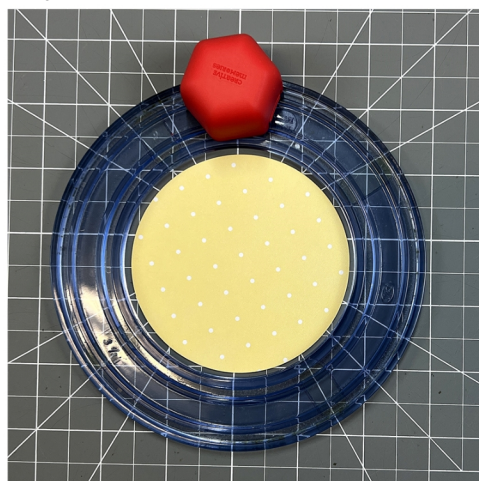

6. Arrange and adhere the triangle pieces as shown.
7. Cut a 1-1/2" x 2-1/2" piece from brown tonal paper. Make a mark at 1-1/2" down from the top left side. Cut diagonally from the top left corner to the mark. Adhere to the top of the pumpkin for the stem.

Flower Pieces:

1. Use the Custom Cutting System with the medium Circle Pattern and Red Blade on the inside edge to cut: (5) circles from tonal paper and (3) circles from designer paper.
2. Fold the circles in half.

Instructions, Continued:

3. Position the medium Circle Pattern over a folded circle so that the left inside edge of the pattern is next to the fold. Use the Red Blade on the inside edge to cut and create petals.
4. Use the Custom Cutting System with the largest Circle Pattern and Red Blade on the inside edge to cut: (1) circle from green tonal paper and (1) circle from red tonal paper.
5. Fold circles in half.
6. Position the largest Circle Pattern over a folded circle so that the left inside edge of the pattern is next to the fold. Use the Red Blade on the inside edge to cut and create petals.

Complete Layout:

1. Cut (5) 3/8" x 2" strips from brown tonal paper for stems. Use the Autumn Leaves Border Punch to punch (2) borders from brown tonal paper. Use Micro-Tip Scissors to cut apart the maple leaves and one elm leaf.
2. Use the Brown Dual-Tip Pen to add faux stitching to the leaf and petal pieces.
3. Layer and adhere the flower pieces together. Adhere to the layout with Foam Squares.
4. From leftover Island Waters Cardstock, cut (2) 4" x 6" and (2) 4" x 4" photo mats. Adhere to the layout as shown.
5. Add additional stickers with Foam Squares.
6. Use the Brown Dual-Tip Pen to add faux stitching to the pumpkin pieces.
